**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the lifeblood of our country, please don't allow another corporate giant to limit our options and hit the competitively priced options in a way that they can't recover from. There's nothing in it for them except to take consumers options away. Broadband service is critical to my research, community work, and business promotion.
